2. It is desired at the time that the TALENT procedures to implement
Chapter Five of the TALENT Manual be made clear to all participating
agencies in order that they can more effectively relate their own registry.
There will be an opportunity to raise questions and make suggestions looking
toward more efficient arrangements for all concerned.

3. It should not be necessary for the TALENT CONTROL OFFICER
of your agency to be present for this purpose, though he is welcome. It
is important, however, that the officer designated in your agency to handle
the responsibilities outlined in Chapter Five of the TALENT Manual be
present and, if possible, that he already have fairly clearly in mind what
internal agency procedures are contemplated.

4. Would you be good enough to inform [Redacted] on Code
[Redacted] of the name of the individuals who will represent your
agency. Such notification should be not later than 5 July.
